No.26, Bo Nat Kyaw Street, 49th Ward,North Dagon, Yangon, Myanmar.

COURSE QUOTATION

Extended Plan

Molecular laboratory training

COURSE FEE

USD 1,000 per course

Included topics

- DNA/RNA extraction
- PCR amplification
- Gel preparation
- Gel documentation and analysis
- Molecular biology fundamentals
- Restriction enzyme digestion
- Molecular cloning
- Protein extraction
- Western blotting
- Basic bioinformatics: phylogenetic tree analysis
